Case No. 19-11984 (CSS)

(Jointly Administered)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY
AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors and debtors in possession (collectively, the “Debtors” or the “Company”) submit their Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements” and, together with the Schedules, the “Schedules and Statements”) pursuant to section 521 of the Bankruptcy Code (as defined below) and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

On September 9, 2019 (the “Petition Date”), the Debtors commenced the above captioned chapter 11 cases by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) with the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”). The Debtors’ chapter 11 cases have been consolidated for procedural purposes only and are being administered jointly under case number 19-11984. The Debtors are authorized to operate their businesses as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

¹ The Debtors in these Chapter 11 Cases, along with the last four digits of each Debtor’s federal tax identification number, are: Fred’s, Inc. (4010); Fred’s Stores of Tennessee, Inc. (9888); National Equipment Management and Leasing, Inc. (4296); National Pharmaceutical Network, Inc. (9687); Reeves-Sain Drug Store, Inc. (4510); Summit Properties-Jacksboro, LLC (9161); Summit Properties-Bridgeport, LLC (2200); and 505 N. Main Opp, LLC (5850). The Debtors’ address is 2001 Bryan Street, Suite 1550, Dallas, Texas 75201.

The Schedules and Statements were prepared by the Debtors' management and are unaudited. While those members of management responsible for the preparation of the Schedules and Statements have made a reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements. Accordingly, the Debtors reserve their right to amend and/or supplement their Schedules and Statements from time to time as may be necessary or appropriate but there can be no guarantees that the Debtors will do so.

The Debtors and their agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and

however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

These Global Notes and Statements of Limitations, Methodology and Disclaimers Regarding Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (these "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

Global Notes and Overview of Methodology

1. **Description of Cases.** On the "Petition Date", each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On September 10, 2019, an order was entered directing procedural consolidation and joint administration of these chapter 11 cases [Docket No. 52]. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the Petition Date.
2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of each of the Debtors' Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements conflict with these Global Notes, these Global Notes shall control.
3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent

errors or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors' rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

- a. **No Admission.** Nothing contained in the Schedules and Statements or the Global Notes is intended to be or should be construed as an admission or stipulation of the validity of any claim against the Debtors or any assertion made, or a waiver of the Debtors' rights to dispute any such claim or assert any cause of action or defense against any party.
- b. **Basis of Presentation.** The Schedules and Statements reflect the separate assets and liabilities of each individual Debtor. For financial reporting purposes, Fred's, Inc. and its affiliated debtors and debtors in possession historically prepared consolidated financial statements, which included financial information for all of its subsidiaries and which were audited annually. The majority of the Debtors' operations occur through Debtor Fred's, Inc. and the Debtors use a centralized cash management system whereby all disbursements are made by Fred's, Inc.

These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”), nor are they intended to reconcile to the financial statements previously distributed to lenders, major creditors, or various equity holders on an intermittent basis.

The Schedules and Statements have been signed by Mark Renz, Chief Restructuring Officer, for the Company. In reviewing and signing the Schedules and Statements, necessarily relied upon the efforts, statements, and representations of the accounting and non-accounting personnel located at the Debtors’ offices who report to, or work with, Mark Renzi, either directly or indirectly. Mark Renzi has not, and could not have, personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

- c. **Date of Valuations.** Except as otherwise noted in the Schedules and Statements, all liabilities, as well as cash, inventory and vendor balances, are valued as of August 31, 2019. The Schedules and Statements reflect the Debtors’ best effort to allocate the assets, liabilities, receipts, and expenses to the appropriate Debtor entity “as of” such dates. All values are stated in United States currency. The Debtors made a reasonable effort to allocate liabilities between the pre- and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtors may modify the allocation of liabilities between the pre- and post-petition periods and amend the Schedules and Statements accordingly.

- d. **Book Value.** Except as otherwise noted, each asset and liability of each Debtor is shown on the basis of net book value of the asset or liability in accordance with such Debtor's accounting books and records. Therefore, unless otherwise noted, the Schedules and Statements are not based upon any estimate of the current market values of the Debtors' assets and liabilities, which may not correspond to book values. It would be cost prohibitive and unduly burdensome to obtain current market valuations of the Debtors' property interests.

Except as otherwise noted, the Debtors' assets are presented, in detail, as they appear on the Debtors' accounting sub-ledgers. As such, the detail may include error corrections and value adjustments (shown as negative values or multiple line items for an individual asset). The Debtors believe that certain of their assets may have been impaired by, among other things, the events leading to, and the commencement of, the Debtors' chapter 11 cases. The Debtors have not yet formally evaluated the appropriateness of the carrying values ascribed to their assets prior to the Petition Date. Accordingly, the Debtors have indicated in the Schedules and Statements that the values of certain assets and liabilities are undetermined. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.

- e. **Property and Equipment.** Owned property and equipment are recorded at cost and are shown net of depreciation. Depreciation is recorded using the straight-line method.
- f. **Causes of Action.** The Debtors have made their best efforts to set forth known

causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to causes of action they may have, whether disclosed or not disclosed, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

- g. **Litigation.** Certain litigation actions (collectively, the “Litigation Actions”) reflected as claims against a particular Debtor may relate to any of the other Debtors. The Debtors made reasonable efforts to accurately record the Litigation Actions in the Schedules and Statements of the Debtor(s) that is the party to the Litigation Action. The inclusion of any Litigation Action in the Schedules and Statements does not constitute an admission by the Debtors of liability, the validity of any Litigation Action or the amount of any potential claim that may result from any claims with respect to any Litigation Action, or the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.
- h. **Intellectual Property Rights.** Exclusion of any intellectual property should not be construed as an admission that such intellectual property rights have been abandoned, terminated, or otherwise expired by their terms, or assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed as an admission that such intellectual property rights have not been abandoned, terminated, or otherwise expired by their terms, or assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- i. **Application of Vendor Credits.** In the ordinary course of their businesses, the

Debtors may apply credits against amounts otherwise due to vendors. These credits arise because, among other things, (a) materials ordered and paid for may not be delivered, (b) materials delivered may be damaged or unusable, (c) vendor provides volume rebates and cash discounts, and (d) there may have been quantity and/or shipping variances and violations. While vendor claims are listed in the amounts entered on the Debtors' books and records and do not reflect credits or allowances due from such creditors to the Debtors, the account receivable balances listed do reflect credits or allowances due from such creditors to the Debtors. The Debtors reserve all rights with regard to such credits, allowances and other adjustments. The Bankruptcy Court has authorized, but not directed, the Debtors to, among other things, (a) continue certain customer programs and practices in the ordinary course of business, (b) pay certain prepetition wages, salaries, employee benefits, and other related obligations up to the statutory cap of \$13,650 as set forth in the Bankruptcy Code Section 503(c)(2), (c) pay certain prepetition sales, use, and other taxes, (d) pay certain prepetition shipping and related charges, and (e) pay certain prepetition amounts related to the Debtors' insurance policies. While the Debtors have made their best efforts to reflect the claims, by vendor, the actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth in the Schedules and Statements. Moreover, the Debtors have not attempted to reflect any alleged recoupments in the claims of utility companies or other parties holding prepetition deposits that may assert (or have asserted) a recoupment right.

Any failure to designate a claim listed on a Debtor's Schedule as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that

the claim is not “disputed,” “contingent,” or “unliquidated.” The Debtors reserve the right to (a) object to or otherwise dispute or assert setoff rights, cross-claims, counterclaims or defenses to, any claim reflected on the Schedules as to amount, liability, classification or otherwise or (b) otherwise to designate subsequently any claim as “disputed,” “contingent” or “unliquidated.”

The claims listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor’s claim. The Debtors have excluded potential rejection damage claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, and to the extent such damage claims exist, the Debtors reserve all rights to contest such claims as asserted.

- j. **Employee Claims.** The Bankruptcy Court entered a final order authorizing, but not directing, the Debtors to pay certain prepetition employee wages, salaries, benefits and other related obligations. The Debtors currently expect that most prepetition employee claims for wages, salaries, benefits and other related obligations either have been paid or will be paid in the ordinary course of business and, therefore, the Schedules and Statements do not include such claims. Notwithstanding the foregoing, the Debtors reserve their rights to (a) evaluate whether to modify or terminate any employee plan or program and (b) modify or terminate, with respect to discretionary obligations, or seek to modify or terminate any such plans or

programs. In the event that any employee plans or programs are modified or terminated, or sought to be modified or terminated, affected employees would receive by mail notice thereof, thereby allowing any such affected party to assert claims against the Debtors arising therefrom.

- k. **Intercompany Items.** For purposes of the Schedules and Statements, the Debtors

have not reflected intercompany receivables and payables between Debtor entities as these entries are made for accounting purposes only and would not be settled in cash. The Debtors have reported receivables on Schedule A/B-11 and payables on Schedule E between each Debtor affiliate.

4. Specific Schedules Disclosures.

- (a) **Schedule A/B - Items 2 and 3 – Cash on hand and checking, savings, money**

market, or financial brokerage accounts. The numbers listed in Items 2 and 3

are based on the Debtors' books and records and reflect the balance sheet

representation of the amounts held at the Debtors' store cash registers, store safes,

and the like as of August 31, 2019.

- (b) **Schedule A/B – Item 7 – Security Deposits.** Although the Debtors' books and records

show ~\$1.2 million in accounts, the listing in Schedule A/B-7 reflects the

Debtors' current reconciliation of actual amounts deposited. The Debtors'

continue to reconcile the amounts and will provide further information

when it becomes known.

- (c) **Schedule A/B – Item 7 – Security Deposits.** Some of the items in

prepayments reflected here have already been received however, they are

still reflected here due to timing issues related to items that were received that had been paid for in advance

- (d) **Schedule A/B – Item 11 – Accounts Receivable.** As noted above, the account receivable balances listed reflect credits or allowances due from vendor creditors to the Debtors. Some of these credits from vendors are from overpayments by Fred's, Inc.

- (e) **Schedule A/B – Item 77 – Other property of any kind not already listed.** In certain instances, the Debtors do not have data available in their system to provide detail by credit card vendor. These would include, but are not limited to, vendors such as Discover, MasterCard and Visa.

- (f) **Schedule A/B – Items 60-65 – Intangibles and intellectual property.** The Debtors have not listed the value of such items because the values on the Debtors' books and records may not accurately reflect their value in the marketplace.

- (g) **Schedule A/B – Items 74 and 75 – Causes of action against third parties (whether or not a lawsuit has been filed) and other contingent and unliquidated claims or causes of action of every nature, including counterclaims of the debtors and rights to set off claims. The Debtors attempted to list known causes of action and other claims that would be included in this category.** Potential preference actions and/or fraudulent transfer actions were not listed because the Debtors have not completed an analysis of such potential causes of action. The Debtors' failure to list any cause of action, claim, or right of any nature is not an admission that

such cause of action, claim, or right does not exist, and should not be construed as a waiver of such cause of action, claim, or right.

(h) **Schedule D – Creditors Who Have Claims Secured by Property.** Except as otherwise ordered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset for the benefit of a secured creditor listed

on a particular Debtor's Schedule D. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim.

In certain instances, a Debtor may be a co-obligor, co-mortgager or guarantor with respect to scheduled claims of other Debtors. No claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are or may be otherwise satisfied or discharged by other entities.

The descriptions provided in Schedule D are intended only to be a summary.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Except as specifically stated herein, utility companies and other parties which

may hold security deposits have not been listed on Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights.

- (i) **Schedule E/F – Creditors Who Hold Unsecured Claims.** Certain of the claims of state and local taxing authorities set forth in Schedule E ultimately may be deemed to be secured claims pursuant to state or local laws. In addition, certain of the claims owing to various taxing authorities to which the Debtors may be liable may be subject to ongoing audits. The Debtors reserve their right to dispute or challenge whether claims owing to various taxing authorities are entitled to priority and the listing of any claim on Schedule E/F Part 1 does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

In certain instances, a Debtor may be a guarantor with respect to scheduled claims of other Debtors. No claim set forth on the Schedule E/F of any Debtor is intended to acknowledge claims of creditors that are may be otherwise satisfied or discharged. As noted above, the Bankruptcy Court has authorized, but not directed, the Debtors to pay,

among other matters, certain prepetition wages, salaries, employee benefits, and other related obligations up to the statutory cap of \$13,650. To the extent any employees have been paid or will be paid in accordance with the Bankruptcy Court's order they have not been listed. Employees with priority claims up to the cap of \$13,650 are listed on Schedule E/F (priority) with the excess of the statutory cap listed on Schedule E/F (non-priority). Additionally, the Debtor's

rarely have patients with credit balances and process them as they are presented. There is similarly no information on the Debtors' books and records with respect to possible refunds as the Debtors have no knowledge about such refunds until the patient and corresponding third -party payor present them. Therefore, refunds are not included in Schedule E/F.

As noted above, the Debtors use a centralized cash management system whereby all disbursements are made by Fred's, Inc. In the ordinary course, the Debtors engage in intercompany transactions and transfers amongst themselves, among other things, the expenses of conducting certain of their retail operations. As a result, liabilities listed on Schedule E/F of Debtor Fred's, Inc. may be liabilities of one or more Debtors but, in each case, are paid in the ordinary course of business by Fred's, Inc.

Schedule E/F reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts or unexpired leases, if any, that may or have been be rejected in these chapter 11 cases.

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and

costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such claim.

As of the time of filing of the Schedules and Statements, the Debtors had not received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtors reserve their rights to, but undertake no obligations to, amend Schedules D and E/F if and as they receive such invoices.

(j) **Schedule G – Executory Contracts and Unexpired Leases.** The businesses of the

Debtors are complex and, while every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred.

The Debtors hereby reserve all of their rights to (a) dispute the validity, status or enforceability of any

contracts, agreements or leases set forth in Schedule G and (b) amend or supplement such Schedule as necessary. Furthermore, the Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument.

The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or an unexpired lease.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various

amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements that may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as supplemental agreements and letter agreement, which documents may not be set forth in Schedule G.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

- (k) **Schedule H – Co-debtors.** The Debtors included on Schedule H debts for which more than one Debtor may be liable even where such debts were reflected on Schedules E/F or G for the respective Debtors. To the extent these Global Notes include notes specific to Schedules D through G, such notes also apply to the co-debtors listed in Schedule H.
